Mike -
You know, its funny but now that I actually have to - I'm completely lost. I don't know what to write. I don't think you'll ever know what you have me & words just can't express what I feel. In the olden days

Wearing a ring on the forefinger signified
a haughty spirit;
On the middle finger, prudence and dignity;
On the "ring" finger, love;
On the little finger, a masterful spirit.
Today, on any finger, your Balfour class
ring symbolizes moments and memories
shared with your classmates.
Treasure them always.
